- Angular.js
- Spring boot

### Databases

- Mongodb
- Mysql

### UI / UX Design

- Figma

### Technical skills

- Google docs, sheets, forum
- Microsoft word, powerpoint, excel

### Project Management

- Git
- Npm
- Stack

## PROFILE

An expert web developer with a passion for creating dynamic and user-friendly websites, I am specialized in crafting seamless digital experiences. My expertise spans a wide range of technologies, enabling me to develop innovative solutions. With a strong foundation in problem-solving, excellent communication skills, and a keen eye for design, I am committed to delivering high-quality projects that exceed expectations. My creativity, combined with my technical knowledge, allows me to bring unique and effective ideas to life on the web.

## EDUCATION

### BSC Computer Science Degree ( 4 Year )

Informatics Institute of Technology | IIT Campus

- 1st Year Completed 2024 - 2024
- 2nd Year Ongoing 2024 - 2024

### Foundation Certificate

Informatics Institute of Technology | IIT Campus

2023 - 2023

### Java Application Development Using JavaSE ( 8 Week Training Course )

University Of Colombo School Of Computing ( UCSC )

2023 - 2023

## COMPETITION PARTICIPATION

### Cutting Edge

Informatics Institute of Technology | IIT Campus

2023 - 2023

### IESL JIY

Institution of Engineers Sri Lanka

2022 - 2022
